

Series 2710 Multi-Purpose Food Suction & Discharge

An exceptionally versatile sanitary hose designed to handle a wide variety of products and application requirements (Meets 3-A standards, USDA requirements and is FDA compliant). The specially compounded tube is engineered to handle high temperatures, will not impart taste or odor and is highly resistant to common CIP solutions. Manufactured on polished chrome mandrels, our mirror finish tube resists bacteria growth, while providing excellent flow rates.

Tube:	White, specially compounded, high-temp (FDA, 3-A, USDA compliant)
Reinforcement:	Multiple textile plies w/dual wire helix
Cover:	Gray Nitrile cover
Temperature:	-25°F to +230°F (-32°C to +110°C)
Design Factor:	4 : 1
Branding:	Blue Mylar / White letters
Origin:	USA
