

SPECIAL SOLUTIONS FOR THE INDUSTRY FLEXIBLE ENGINEERING SOLUTIONS

LONG LIFE SILICONE HOSES

Venair Long Life formulation and construction is the most technically advanced solution to extreme operating conditions and resistance to the modern aggressive coolants in the market. Venair silicone hose products are used by the largest Transportation Authorities and Fleet Companies worldwide to reduce warranty and maintenance down time.

HIGH TEMPERATURE RESISTANT

Special aluminum coated fiberglass designed to protect a specific area or the whole silicone hose where focused high temperatures are present.

All of our standard or customized products can be produced with this option.

VENA VITOSIL®

Silicone hoses with an inner layer of FKM for conveying fuel, oils and chemical products. Excellent resistance to ozone and atmosphere in the harshest of outdoor environments.

All of our standard or customized products can be produced with this option.

Venair R&D Department has developed a new adhesive that provides the strongest bond ever created between FKM and silicone. We have the capability to manufacture reliable silicone hoses with a FKM liner suitable for engine oil transfer.

FLEXIBLE ENGINEERING SOLUTIONS FOR THE INDUSTRY

More than 25 years of experience in the design and production of custom pieces in silicone and other technical elastomers.

Venair® ensures a flexible solution to any problem of vibration, movement, high temperature, pressure or special connections.

All your requirements can be produced while fulfilling the highest quality demands of the market.

Our engineering team is committed to analyzing your needs and to offer successful products for your applications.

IMPORTANT:

It is the user's responsibility to ensure the suitability and safety of the VENAIR products for all intended uses. All the tests must be conducted in accordance with applicable regulatory requirements in order to determine the safety and effectiveness for use of the hoses in any particular application.

Limited Warranty: For a period of 6 months from the date of sale, VENAIR warrants this product to be free from defects in materials and workmanship. Our only obligation will be to replace any portion proving defective, or at our option, to refund the purchase price thereof. User assumes all other risk, if any, including the risk of injury, loss or damage, direct or consequential, arising out of the use, misuse, or inability to use, this product. THIS WARRANTY IS IN LIEU OF THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE, AND ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED. No deviation is authorized. VENAIR assumes no obligations or liability for any advice furnished by it, or for results obtained with respect to those products. All such advice is given and accepted at the buyer's risk.
