Slotted Slitting Blade 2.25" x .75" x .015"

TGW P/N	Edge Configuration	Corner Type	Thickness	Material
530022501	Square Edges, Beveled Ends	Square	.015"	Stainless Steel
530022502	Double Edge, Single Bevel	Square	.015"	Carbon Steel
530022503	Double Edge, Double Bevel	Square	.015"	Stainless Steel
530022504	Double Edge, Double Bevel	Square	.015"	Carbon Steel
530022505	Double Edge, Double Bevel	Square	.015"	Solid Ceramic
530022506	Double Edge, Double Bevel	Square	.025"	Solid Ceramic
530022507	Double Edge, Double Bevel	Square	.015"	Solid Carbide
530022508	Double Edge, Double Bevel	Rounded	.015"	Stainless Steel
530022509	Double Edge, Double Bevel	Rounded	.015"	Carbon Steel

3-Hole Blade Type 1.69" Long x .87" Wide

TGW P/N	Edge Configuration	Corner Type	Thickness	Material
530016908	Double Edge, Double Bevel	Square	.006"	Stainless Steel
530016907	Double Edge, Double Bevel	Square	.008"	Stainless Steel
530016901	Double Edge, Double Bevel	Square	.012"	Stainless Steel
530016906	Double Edge, Double Bevel	Square	.016"	Stainless Steel
530016903	Double Edge, Double Bevel	Square	.012"	Solid Carbide
530016904	Double Edge, Double Bevel	Square	.012"	Solid Ceramic

TGW Razor Blade for TGW Holder: Fits Standard Air Holder 1.53" x .68" x .009"

TGW P/N	Edge Configuration	Corner Type	Material
530015301	Single Edge	Square	Stainless Steel
530015302	Single Edge	Square	Solid Carbide
530015303	Single Edge	Square	Solid Ceramic

Injector Blade – Slotted 1.500" x .313" x .010"

TGW P/N	Edge Configuration	Corner Type	Material
530015002	Single Edge, Double Bevel	Chamfered	Carbon Steel
530015003	Single Edge, Double Bevel	Chamfered	Solid Carbide
530015004	Single Edge, Double Bevel	Chamfered	Solid Ceramic
530015005	Single Edge, Double Bevel	Chamfered	Stainless Steel

Injector Blade – Solid No Slots 1.500" x .313" x .010"

TGW P/N	Edge Configuration	Corner Type	Material
530015001	Single Edge, Double Bevel	Chamfered	Solid Carbide
