Liquid Whole Eggs

Ingredients: Whole eggs broken from fresh shell eggs (no additives) and then pasteurized in accordance with USDA standards.

Specifications:

Solids	24.2% min.
Fat	10.2% min.
Protein (N x 6.25)	12.0% min.
pH	7.3 +/- 0.3
Standard Plate Count	5,000 cfu/g max.
Salmonella (USDA Method)	Negative
Listeria	Negative
E. Coli	Less than 10 cfu/g
Coliform	10 cfu/g max.
Yeast & Mold	10 cfu/g max.

This product may be shipped by tanker or packaged in plastic pails, bag-in-box (various sizes), or 200-gallon totes with sealed polyethylene liners. Special product characteristics may be provided when required by the customer.

This product is certified **Kosher** by the Union of Orthodox Jewish Congregations of America (O.U.). This product is certified **Halal** by the Islamic Food and Nutrition Council of America (IFANCA). This product is manufactured under the continuous inspection of USDA Resident Inspectors.

Storage:

Product should be kept refrigerated at 40°F or lower at all times. Slight agitation is recommended prior to use. Holding vessels or containers must be handled in an appropriate manner to prevent contamination and maximize shelf life. Recommended shelf life is fourteen (14) days from date of manufacture for tanker, totes, and pails and thirty (30) days for bag-in-box.

Product code #7520 (tanker), #7540 (tote, pail), #7541 (BIB)

Issue Date: 7/1/15, Last Revision: 4/22/13
